

SANTÉ OUVERTE OPEN HEALTH NIVERVILLE

Seeking family physicians on a full time or part time basis to provide health care within our collaborative minded centre.

WE ARE:

A community-owned medical centre in Niverville; Manitoba's fastest growing town, serving communities in the Southern Manitoba area. Our facility was built in 2017 and is part of larger Heritage Centre campus including Life Lease condos, Personal Care Home and assisted living manor. The campus also houses a daycare, a licensed family restaurant, a dentist office, pharmacy, and more. Niverville offers all the conveniences of the city with the benefits of small town living. Located only 20 minutes south of Winnipeg, it is home to numerous local and franchised businesses as well as a new state-of-the-art Community Resource & Recreation Centre, which opened in July 2021.

WE OFFER:

- 11 exam rooms including minor procedure rooms
- On-site lab
- Competitive overhead rates with support for new graduates to establish long-term and flexible practices.
- On-site collaboration with Southern Health professionals including Mental Health, Child & Youth Services, Chronic Disease Education, and a Primary Health Care Nurse.
- Our simple overhead arrangement includes all administration, clinic space, supplies, support, EMR usage and billing services.
- Our business model strives to invest profits back into the clinic and physicians.
